

Dear EACC Members,  
Here are the EACC updates as of Friday, November 13, 2020

### **What's new?**

- ❖ **THANK YOU** to everyone who wrote letters to CCPS & Board of Education members with your concerns about moving into Phase 2 and teleworking options. We are pleased that CCPS is not only watching and evaluating the metrics, but that they are also listening to the need for the health and safety of employees and students to be a priority. We appreciate the prudent decision to institute a pause in moving to Phase 2.
- ❖ **Thanks to your advocacy**, and the continuing advocacy of the EACC, yesterday CCPS sent out a letter announcing the implementation of the continued telework/50% telework options. It is not the “perfect” solution, but it opens up telework availability to more of our membership! Your voices were heard!
- ❖ Every member should have received an email with the 2020 Negotiations Survey. It closes on Tuesday, 11/17, at 5PM so please make sure you take some time to give us your input. - ❖ If you need help with navigating the **ADA accommodations process (to include appeals)**, please reach out to your UniServ Director.
- ❖ **It is okay to not be okay.** We are all under a TREMENDOUS amount of pressure, stress, and anxiety right now. You are not alone. Check on each other. Reach out to each other. Also remember that if you need to

talk to someone, the **Employee Assistance Program** is a free, confidential benefit that is included in your CCPS Health Insurance program. Their number is (888) 993-7650.

- ❖ Please also remember: **You, collectively, are EACC. As a Union we stand together, and we can get so much more accomplished by having a collective voice for our profession. Together we can support each other, and advocate for the supports and resources each of us need to be our best professional self. WE are EACC and we need YOUR voice and your ideas.**

### **Let's recap...**

- ❖ As we are navigating the Re-Opening, the continuing issues caused by the Coronavirus, its constant changes and upheaval to our normal schedules, I want to assure you that we at the EACC are still working and in constant communication with both CCPS and MSEA. We will get through this together. **Please continue to reach out to us with your concerns.**
- ❖ The EACC Office is open by appointment only, with masks, social distancing and health protocols in place. Even so, communication with us is still OPEN.
- ❖ We have consistently brought the concerns that members have communicated to us to Dr. Hill, and she and her team are taking all of your concerns and our suggestions into consideration as they make decisions. We are making sure your voices are heard, that your concerns are brought forward, and that your rights are not being infringed upon.
